Item 8.01 Other Events.

On October 10, 2023, Simpson Manufacturing Co., Inc. (the “Company”) experienced disruptions in its Information Technology (IT) infrastructure and applications resulting from a cybersecurity incident. After becoming aware of the malicious activity, the Company began taking steps to stop and remediate the activity, including taking certain systems offline. The Company is working diligently to respond to and address this issue. The incident has caused, and is expected to continue to cause, disruption to parts of the Company’s business operations.

The Company has engaged leading third-party cybersecurity experts to support its investigation and recovery efforts. The investigation to assess the nature and scope of the incident remains ongoing and is in its early stages.

Forward-Looking Statements

This Current Report on Form 8-K contains statements that constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, each as amended. All statements other than statements of historical fact made herein are forward-looking statements, including without limitation statements about the extent and impact of the unusual system activity and related activities. Readers are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, including, without limitation, those risk factors set forth in Item 1A of the Company’s Annual Report on Form 10-K filed with the Securities and Exchange Commission for the fiscal year ended December 31, 2022. Actual results may differ materially from those in the forward-looking statements as a result of various factors, many of which are beyond the Company’s control. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
